None of this would have been possible if not for all of the volunteer workers - Your support and hard work is greatly appreciated!!!

Thank you to all who came out to watch the hockey games!!

MANITOBA HYDRO AND GRADE 5/6

On Thursday, October 25th, the grade 5/6 students had a unique learning opportunity with Manitoba Hydro. A representative from Manitoba Hydro came to Morris School and shared a wealth of information with the students during a presentation. They learned about the environmental advantages of using Compact Fluorescent Light bulbs (CFL). The students also won some great Manitoba Hydro prizes!!

Following the presentation, we made packages to distribute throughout the town of Morris. This was a great opportunity to promote a more energy efficient product to our community. We were also very fortunate to have a beautiful day, + 18 degrees!!!

Thanks to our parent volunteers; Bev Neufeld, Sherri Siemens, Joan van de Linde, Lucille Reimer and Joan and Alvin Weiss.
