Storm Billet Information

Storm procedures

1. Classes will continue as usual if a storm arises during the day and busses are cancelled. At the end of the day, bus students will be sent to their designated billet. Each year rural students must complete the Storm Billet Information form indicating billeting arrangements in town in case buses are cancelled while students are in school.
Please make arrangements with a friend or relative in town and provide billet information below.
2. If the weather is severe, no K-6 students will be permitted to leave the school unless accompanied by a person at least 12 years old.
3. Parents may pick up students at school prior to 3:20 p.m. Otherwise, pick up your child at their billet's home.
4. Teachers will keep records of student dismissal from their classes. Students will not be dismissed to anyone other than their parents or billet without parental permission. Grade 7 and 8 town students and all senior years students must sign out and declare their destination if leaving on their own. Teachers will remain with each class for supervision until all students have left, then submit their dismissal records to the office.
5. School cancellations are announced on the following radio stations: CFAM-950AM, CJOB-68AM and QX-104FM

Note: If parents are able to pick up their child, they will be asked to sign the student out at the homeroom so that we are aware of who has left the building.

Parents may inform the office or homeroom teacher if an adult, other than those named below, is picking up their children.

It is important that the school be notified of any absences to help us keep track of the whereabouts of students.
